

Do you offer consulting or other China business services targeted at a Danish audience? Are you planning to organize an event about a China topic? Have you gained new knowledge about China that you would like to share with others?

Dansk Industri offers you exposure towards our 19,000 member companies and many other Danish stakeholders through featured listings on our China portal SenseNow.dk.

All featured listings are free of charge!

FEATURED LISTING CATEGORIES

BUSINESS SERVICES

Promote your offering towards a broad target group. Relevant services include market intelligence, legal and strategic advice, HR and administration, financial support, hosting services, and much more.

INSIGHTS

Make sure your peers will know about your recent publication or study.

EVENTS

Increase the audience for your seminar, workshop, or business delegation.

CONTESTS

Get participants onboard for your innovation challenges, open calls, or other competitive initiatives.

PROJECTS

Announce your new project in China. Invite other companies to join as business partners.

For more information, please contact Peter Bøgh Hansen at pmh@di.dk.
